

Dear Ms. Penelope Brady....

I am writing this letter in regards to the allegations made against my stepfather Edward Hopkins.

First I'd like to say that I have previously spoken with Detectives and ACS workers. I don't feel it is MY responsibility if people are sloppy and loose paper work to have to go through this again. There was an investigation once before and it was closed.

Let me clarify that in no way shape or form has my stepfather EVER been inappropriate with me ,or any of my friends . God only knows that if something had happened I would of spoken up .If you don't know that's the type of person I am.
